Andrew J Sword, MD
Obstetrics and Gynecology

Dr. Sword offers gynecologic care, family planning, contraceptive counseling, labor and delivery, prevention and wellness services, and cancer screenings.

He is highly skilled in advanced robotic-assisted surgeries, including complex cases for benign masses or pain, surgical treatment of pelvic prolapse and related incontinence issues, as well as advanced obstetrical procedures like operative vaginal deliveries, external cephalic version, and vaginal delivery of twins.

He earned his degree at the University of Michigan Medical School in Ann Arbor and completed his residency at Magee-Womens Hospital, University of Pittsburgh Medical Center.

Dr. Sword is certified by the American Board of Obstetrics and Gynecology.
