Andrew L Spergel, MD
Obstetrics and Gynecology

Certified by the American Board of Obstetrics and Gynecology, Dr. Spergel provides personalized, high-quality health care to women of all ages. He offers comprehensive services for women through every stage of life, including annual physicals, complete pregnancy care, labor and delivery, prevention and wellness services, cancer screenings, and menopause care. Dr. Spergel also specializes in high-risk obstetrics, management of abnormal uterine bleeding, and treatment of urinary incontinence.

Dr. Spergel earned his degree from the New York Medical College in Valhalla, New York, and completed his residency in obstetrics and gynecology at Metro Health Medical Center/Cleveland Clinic Foundation, Case Western Reserve in Cleveland, Ohio. He is a member of the American College of Obstetricians and Gynecologists, Pennsylvania Medical Society, and Washington County Medical Society.

A clinical assistant professor in the physician assistant studies
