Christine M Gallis, MD
Obstetrics and Gynecology

Dr. Gallis provides preventive care for women of all ages, including contraceptive and fertility counseling, general obstetrics, and routine gynecological care. She is highly skilled in minimally invasive surgery, including laparoscopic, robotic-assisted, and hysteroscopic procedures.

She earned her degree at University of Pittsburgh School of Medicine, and completed her residency at Magee-Womens Hospital, University of Pittsburgh Medical Center, both in Pittsburgh, Pennsylvania.
