James H Duggan, MD
Obstetrics and Gynecology

Dr. Duggan provides routine gynecological and obstetric care and menopause conditions. He helps women with high-risk pregnancies manage medical issues such as diabetes and high blood pressure. He is skilled at performing laparoscopic hysterectomies and minimally invasive surgeries. Dr. Duggan's special clinical interests include infertility, high-risk obstetrics, menopausal conditions, contraception, general OB-GYN care, and teaching. He speaks English.
