

Howard I Topol, MD

Pediatrics

Dr. Topol is a pediatrician who uses evidence-based medicine to care for children. His friendly approach helps him personally connect to young patients. He is clinically interested in children's sleep habits and the effects of "screen time" on their development. Dr. Topol welcomes patients from birth to age 18.

Dr. Topol earned his medical degree from Rutgers New Jersey Medical School in Newark, New Jersey. He completed a residency at Children's Hospital of Philadelphia in Philadelphia, Pennsylvania.

He is certified by the American Board of Pediatrics and is a member of the American Academy of Pediatrics.
