

David C Neuschwander, MD

Orthopaedic Surgery

Dr. Neuschwander specializes in treating patients with rotator cuff tears, shoulder dislocation, arthritis, knee injuries, shoulder arthritis, shoulder pain, and sports injuries. He performs rotator cuff surgery and adult knee reconstruction and replacement, along with other orthopaedic surgery. His special clinical interests include sports medicine, arthroscopy, and knee and shoulder disorders.

Dr. Neuschwander completed an orthopaedic residency and fellowship in knee and sports medicine at Louisiana State University. He is board-certified in Orthopaedic Surgery and the subspecialty of Orthopaedic Sports Medicine, and also has a certificate of added qualifications in Sports Medicine. He speaks English.
