

## David A Logan, MD

### Obstetrics and Gynecology

Dr. Logan is Medical Director of AHN's Jefferson Hospital Labor and Delivery department. He cares for women throughout their lives for their obstetric or gynecological needs, including labor and delivery.

He provides education and options for birth control, breastfeeding, and family planning. He also offers treatment for endometriosis, fibroids, gynecologic surgery, hormone therapy, hysterectomy, obesity, osteoporosis, ovarian cysts, pelvic inflammatory disease, polycystic ovary syndrome, sexually transmitted diseases, and yeast infections.

Dr. Logan is skilled and experienced in performing robotic surgery. He speaks English.
