

Ashley E Iams, PA-C

Hematology

Ashley is a certified physician assistant (PA-C) who specializes in hematology and cellular therapy. Her clinical interests include leukemia, lymphoma, myeloma, myelodysplastic syndrome, and stem cell transplantation. Ashley is highly skilled in performing bone marrow biopsies and punch skin biopsies.

After earning a Bachelor of Science at Seton Hill University in Greensburg, Pennsylvania, Ashley continued at Seton Hill to earn a Master of Science in physician assistant studies.

She is certified by the National Commission on Certification of Physician Assistants, and also has certifications in Basic Life Support, Advanced Cardiovascular Life Support, and Pediatric Advanced Life Support.

Ashley is a member of the American Academy of Physician Assistants, and also worked in emergency medicine for seven years.

Committed to treating her patients like they are her own family,
