

Raghu R Tadikamalla,
MD

Cardiology

A highly trained and experienced cardiologist, Dr. Tadikamalla diagnoses and treats an array of heart conditions, including rare and complex diseases, through non-invasive methods. He is certified as a Specialist in Clinical Hypertension by the American Society of Hypertension and has an interest in preventive cardiology, including the management of lipid disorders.

Board-certified in internal medicine, cardiovascular disease, echocardiography, and nuclear cardiology, Dr. Tadikamalla is committed to providing exceptional, compassionate care.

After earning his medical degree at the Washington University School of Medicine in Saint Louis, Missouri, Dr. Tadikamalla completed his residency in Internal Medicine at Barnes-Jewish Hospital in Saint Louis. He gained additional expertise during his fellowship in Cardiology at the University of Pittsburgh Medical Center.

Dr. Tadikamalla is a Fellow of the American College of Cardiology
