

Mark J Fuoss, MD

Obstetrics and Gynecology

Dr. Fuoss received his medical degree from the University of Pittsburgh School of Medicine and his pharmacy degree from the University of Pittsburgh School of Pharmacy. He served as chief resident while completing his obstetrics and gynecology residency at the University Health Center of Pittsburgh and Magee-Womens Hospital. He is certified by the American Board of Obstetrics and Gynecology.

Dr. Fuoss served in the United States Navy as an obstetrician/gynecologist and was involved with development of the Midwife Demonstration Project. Areas of special interest include preventive women's health care, menopause management, gynecologic infections, minimally invasive surgery, menstrual disorders, and management of abnormal pap smears.
