

## John W Schulhoff, MD

### Urology

Certified by the American Board of Urology, Dr. Schulhoff treats diseases of the male and female urinary tract, as well as male reproductive organs. He provides personalized care plans for patients who experience benign prostatic hyperplasia, cancers of the urinary tract, interstitial cystitis, kidney stones, urinary incontinence, prostatitis, erectile dysfunction, and urinary tract infections.

Dr. Schulhoff earned his degree at New York University School of Medicine in New York City and completed his surgical residency and fellowship in surgical research at the University of Pittsburgh Medical Center and his urology residency at Kings County Medical Center in Brooklyn, New York.

He is a member of the American Medical Association, American College of Surgeons, and American Urological Association. Dr. Schulhoff has medical privileges at Jefferson Hospital and Monongahela Valley Hospital.
