

Mark S Buseck, MD

Orthopaedic Sports Medicine

Dr. Buseck specializes in orthopaedic surgery, sports medicine, and joint replacement. He treats sports injuries, knee and shoulder injuries, fractures, and arthritis of the hip, knee, and shoulder. His clinical interests include arthroscopic knee and shoulder surgery, ACL reconstruction, robotic joint replacement, and partial knee and shoulder replacement.

He is also skilled at performing "inside" ACL reconstruction, medial patellofemoral ligament reconstruction, meniscus repair, robotic hip and knee replacement, and total hip and knee revisions. He is board-certified and speaks English.
