

Christine K Rauscher, MD

Allergy and Immunology

Dr. Rauscher treats patients for allergies using allergen immunotherapy and venom immunotherapy. She follows the research for new therapies for immunodeficiency, allergic rhinitis, and asthma. Dr. Rauscher collaborates with colleagues from other specialties to provide a precise diagnosis and high-quality care for her patients.

Dr. Rauscher received a medical degree from the University of Pittsburgh School of Medicine in Pittsburgh, Pennsylvania. She completed a residency and a fellowship at the University of Pittsburgh Medical Center, Pittsburgh, Pennsylvania.

She is a member of the American College of Allergy, Asthma, and Immunology and the American Academy of Allergy, Asthma, and Immunology. She speaks English and Spanish and sees patients of all ages.
