

Emil J Fernando, MD

Surgical Oncology

Dr. Emil J. Fernando is pleased to provide superior breast surgical care to the greater Pittsburgh and Western Pennsylvania/Eastern Ohio regions. He is an expert in breast cancer and also benign (non-cancerous) breast disease, and he performs the full spectrum of breast surgery procedures and operations.

Dr. Fernando received his medical degree from the Loyola University Chicago Stritch School of Medicine (Maywood, IL). He went on to complete his general surgery residency training at the world-famous Cleveland Clinic (Cleveland, OH). He then finished his breast surgical oncology fellowship training at the prestigious Northwestern University Feinberg School of Medicine (Chicago, IL). He is board-certified in Surgery by the American Board of Surgery.

Dr. Fernando brings his world-class training and expertise directly to the Pittsburgh community, so his patients do not need to travel far to receive the best quality of care. Dr. Fernando makes his patients
