

## Bradley P Fox, MD

Primary Care - Family Medicine

Dr. Fox offers general primary care, including preventive medicine. He is interested in sports medicine, LGBTQIA and transgender medicine, pediatric/adolescent medicine, well woman health, and clinical research. He performs procedures with Mirena and Nexplanon, as well as circumcision and minor dermatologic surgery.

He received a medical degree from SUNY Upstate Medical University in Syracuse, New York. He completed his residency at AHN Saint Vincent Hospital in Erie, Pennsylvania. He gained further training through a mini-OB fellowship in Rochester, New York. He is a trained Mohel.

Dr. Fox is a Fellow of the American Academy of Family Physicians, and a member of the American Medical Association, the American Academy of Family Physicians, the Pennsylvania Academy of Family Physicians, and the Pennsylvania Medical Society. He is board certified by the American Board of Family Medicine. He speaks English.
