

Andrew Oehler, MD

Cardiovascular Disease

Dr. Andrew Oehler uses a holistic but aggressive approach to prevent, diagnose, and treat heart disease. He works with each patient to create a personalized treatment plan, using medications and other therapies to maintain health and reduce the impact heart disease has on the patient's life.

He is experienced in cardiac imaging, including echocardiography and cardiac computed tomography. He offers same-day appointments.

Dr. Oehler received a medical degree from Indiana University School of Medicine in Indianapolis, Indiana. He completed a residency at Oregon Health and Science University in Portland, Oregon. He gained further training in a fellowship in cardiovascular disease at the University of Chicago Medical Center in Chicago, Illinois.

Dr. Oehler is certified by the American Board of Internal Medicine, and by the Certification Board of Nuclear Cardiology and the National Board of
