

## Radhika Patnam, MD

Female Pelvic Medicine and  
Reconstructive Surgery

Dr. Radhika Patnam specializes in women's health care and female pelvic medicine. She encourages women to talk openly about their pelvic floor issues to improve their quality of life. Her focus is on pelvic organ prolapse, urinary incontinence, and other pelvic floor disorders. She also has clinical interests in chronic pelvic pain, particularly painful bladder syndrome and interstitial cystitis.

Dr. Patnam received a medical degree from The Commonwealth Medical College in Scranton, Pennsylvania. She completed an obstetrics and gynecology residency at the Medical University of South Carolina in Charleston, South Carolina. She gained specialized training in female pelvic medicine and reconstructive surgery through a fellowship at the University of North Carolina, in Chapel Hill, North Carolina.

She is a fellow of the American Congress of Obstetrics and Gynecology and a member of the American Urogynecologic Society. She is a peer reviewer for the
