

## Mallory Hendricks, LPC

Licensed Professional Counselor

Mallory is a licensed professional counselor (LPC) who specializes in perinatal mental health, including trauma and women's issues. As a behavioral health clinician, she cares for patients 18 and older.

She earned a Master of Science in professional counseling at Carlow University in Pittsburgh, Pennsylvania. Mallory is a Cognitive Processing Therapy for PTSD provider and is trained and working towards certification in Eye Movement Desensitization and Reprocessing Therapy. She has additional training in trauma, domestic violence, perinatal loss, Cognitive Behavioral Therapy and Critical Incident Stress Management.

Mallory works with patients at a pace that is comfortable for them. Her therapy is often supportive and structured with the ultimate goal to help women feel better.
