

Yadavendra S Rajawat,
MD

Interventional Cardiology

Dr. Rajawat provides cardiac care for patients with heart and valve disease, including myocardial infarction, heart failure, cardiomyopathy, and arrhythmia. He received his medical degree from S.M.S. Medical College in Jaipur, Rajasthan state, India, and completed a residency at Capital Health System in Trenton, New Jersey. He received additional training during a cardiology fellowship at Baylor College of Medicine, in Houston, Texas, and at echocardiography and interventional cardiology fellowships at Boston University Medical Center in Boston, Massachusetts. He is active in cardiology research and widely published.
