

Francis Lally, MD, FACC

Cardiovascular Disease

Dr. Lally provides preventive, personalized care for coronary artery disease, structural heart disease, and cardiovascular diseases, to help his patients live longer, more productive lives.

Dr. Lally received a medical degree from Hahnemann Medical College, now Drexel University College of Medicine, in Philadelphia, Pennsylvania. He completed a residency at Mercy Hospital of Pittsburgh in Pittsburgh, Pennsylvania. He gained further training through a cardiology fellowship at George Washington University Hospital in Washington, DC.

He is certified in internal medicine and cardiovascular disease through the American Board of Internal Medicine, and was previously certified in nuclear cardiology. He is a member of the American Medical Association and the American College of Cardiology.
