

Andrea S Synowiec, DO

Neurology

Dr. Synowiec is System Vice Chair for the Department of Neurology. She is a highly skilled neurologist who treats patients with migraines, tension headaches, cluster headaches, trigeminal autonomic headaches, vertigo, and conversion disorders with attacks or seizures. She is experienced at administering Botox therapy, trigger point injections, occipital nerve blocks, and EEG.

Dr. Synowiec is board certified by United Council for Neurologic Subspecialties in Headache Medicine and has the Certificate of Added Qualifications in Headache Medicine.

She is also associate professor of Neurology for Drexel University and serves on the medical advisory board of the Pennsylvania Department of Transportation. She holds a Certificate in Added Qualification (CAQ) in headache medicine from the National Headache Foundation.
