

Maria B Rosporski, CRNP

Physical Medicine and
Rehabilitation

Maria Rosporski is a certified registered nurse practitioner who specializes in physical medicine and rehabilitation. She treats each patient as an individual, using a holistic approach to achieve optimal functioning, especially after they experience a debilitating illness.

She sees patients 18 and older and speaks English. She evaluates new patients alongside a doctor within the practice.

Maria earned her Bachelor of Science in nursing and Master of Science in nursing from the University of Pittsburgh School of Nursing in Pittsburgh, Pennsylvania.
