

Patricia E Khalil, MD

Nephrology

Dr. Khalil helps patients with kidney conditions and is especially interested in chronic kidney disease, home dialysis, acute kidney injuries, and electrolytes abnormalities. She is skilled at helping patients manage home dialysis, home hemodialysis, and peritoneal dialysis.

Dr. Khalil received her medical degree from Saint Joseph's University in Beirut, Lebanon. She completed her residency at the University at Buffalo in Buffalo, New York. She gained additional training through a fellowship at the University of Pittsburgh in Pittsburgh, Pennsylvania.

She is a member of the American Society of Nephrology, National Kidney Foundation, Renal Physician Association, and American Medical Association. She is fluent in English, Arabic, and French.
