

Sunjay K Mannan, MD

Primary Care - Family Medicine

Dr. Mannan received his medical degree from West Virginia University, Morgantown, WV. He completed a residency in family medicine at AHN Forbes Hospital. He has a special interest in improving health through prevention and lifestyle. Dr. Mannan enjoys serving as a general medical provider, treating patients of all genders and all ages, from adolescent to geriatric. He is fluent in Hindi and Punjabi and cared for patients in China while he was in medical school.

Dr. Mannan is experienced in caring for patients in senior living centers, hospitals, and emergency units. He is currently the medical director of a personal care home in Butler and leads an addiction medicine clinic in Monroeville. He is interested in exercise physiology and has served as a sports medicine physician for local high schools. He has contributed to several abstracts for research that focus on the role of exercise, both in the treatment of ADHD in children and in controlling blood sugar in diabetes.
