

Daniel J Muccio, MD

Neurological Surgery

Dr. Muccio treats patients with neurosurgery for brain tumors, herniated discs, and spinal stenosis. He is skilled in stereotactic radiosurgery. He also serves as chief medical officer for AHN Saint Vincent Hospital, Erie, Pennsylvania. He is board-certified in neurological surgery and a fellow of the American Association of Neurological Surgeons.

He received his medical degree from Temple University's Lewis Katz School of Medicine in Philadelphia, Pennsylvania, and completed an internship and residency at the Medical College of Pennsylvania in Philadelphia, Pennsylvania. He speaks English.
