

Marjorie Cua, MD

Pediatrics

Dr. Cua received her medical degree from the University of Santo Tomas, Manila, Philippines. She completed a pediatric residency at Driscoll Children's Hospital, Corpus Christi, Texas and served as chief resident there for a year. Before joining AHN, she was on the pediatric staff of the Plains Regional Medical Center, Presbyterian Health System, in Clovis, New Mexico.

Dr. Cua is board certified by the American Board of Pediatrics. She also holds a bachelor of science degree in nursing from the Philippine College of Health Sciences in Manila and once served as research sub investigator with a pharmaceutical company in Manila.
