

Tavankit Singh, MD

Gastroenterology

Tavankit Singh, MD, is an experienced transplant hepatologist who treats patients with liver disease, before, during, and after their liver transplant. He believes in treating each patient as an individual, while working with a team of clinicians for multidisciplinary care. He is interested in researching new and improved therapies for patients with fatty liver disease, particularly the effects of severe obesity on liver disease.

Dr. Singh earned a medical degree at Dayanand Medical College in Ludhiana in Punjab, India. He completed a residency and a fellowship in transplant hepatology at Cleveland Clinic in Cleveland, Ohio. He is board-certified in gastroenterology.
