

Mary G Cooper, MD

Primary Care - Family Medicine

Dr. Cooper practices full spectrum Family Medicine: she sees hospitalized patients at Forbes Hospital, delivers babies at Forbes Hospital, and sees patients in the office at Forbes Family Medicine, where she performs many different office procedures in addition to providing care for your healthcare needs. She also teaches residents and medical students in Family Medicine.

Dr. Cooper received her medical degree from the University of Pittsburgh. She completed her family medicine residency at the University of Massachusetts in Worcester, Mass., where she served as chief resident. She is certified by the American Board of Family Medicine.

Dr. Cooper holds memberships with several professional organizations including the American Academy of Family Physicians, and the Pennsylvania Academy of Family Physicians.
