

Henry M Fourcade, MD

Psychiatry

Dr. Fourcade provides specialized care to individuals suffering from behavioral health issues. He performs psychiatric evaluations and maintenance pharmacotherapy, as well as individual psychotherapy. He specializes in adults with ADD/ADHD, mood disorders, and anxiety.

After earning his medical degree at New York Medical College in Valhalla, Dr. Fourcade received his master's degree in clinical investigation and in medical sciences from Boston University in Massachusetts. He completed his psychiatric residency at State University of New York at Stony Brook.

Dr. Fourcade has medical privileges at Allegheny General, Forbes, and West Penn hospitals.
