

## Sarah E Hagerty, DO

Physical Medicine and  
Rehabilitation

Dr. Hagerty is fellowship-trained in sports medicine and musculoskeletal and interventional spine. She offers treatment and pain management for a wide variety of medical conditions affecting the brain, spinal cord, bones, joints, ligaments, muscles, and tendons, as a result of injury, illness, or disabling conditions. She also performs electro-diagnostic testing, including electromyography (EMG), to assess the health of muscles and the nerve cells that control them.

Certified by the American Board of Physical Medicine and Rehabilitation and the Pennsylvania Board of Osteopathic Medicine, Dr. Hagerty earned her degree at the Philadelphia College of Osteopathic Medicine. She completed her osteopathic internship at West Penn Hospital and her residency at University of Pittsburgh Medical Center in physical medicine and rehabilitation where she also served as an attending physician. Dr. Hagerty completed the OSS Health Interventional Spine and
