

Michael P Kelley, MD

Interventional Cardiology

Certified by the American Board of Internal Medicine in cardiovascular disease and interventional cardiology, Dr. Kelley also specializes in vascular medicine and peripheral endovascular interventions. He has expertise in complex higher-risk coronary interventions, chronic total occlusions, general peripheral vascular interventions, interpretation of vascular ultrasound studies, and critical limb ischemia.

Dr. Kelley earned his medical degree and completed his internal medicine residency and fellowships in cardiology and interventional cardiology at the University of Pennsylvania School of Medicine in Philadelphia.

He is a fellow of the American College of Cardiology and Society for Cardiovascular Angiography and Interventions, as well as a member of the American Medical Association. His research interests include primary PCI for ST-Elevation Myocardial Infarction (STEMI), left main PCI, renal artery interventions, and complex SFA
