

Eugene A Scioscia Jr., MD

Obstetrics and Gynecology

Dr. Scioscia specializes in routine gynecological and obstetric care for women of all ages, including issues of menopause. He offers routine gynecological exams, contraception, hormone replacement therapy, and general women's health care. He also treats abnormal bleeding, sexually transmitted diseases (STDs), abnormal Pap smears, osteoporosis, ovarian cysts, polycystic ovarian syndrome (PCOS), and yeast infections. He is experienced in performing colposcopy, D&C, hysteroscopy, and polypectomy. He speaks English.
