

Christopher B Morse, MD

Obstetrics and Gynecology

Dr. Christopher Morse is a gynecologic oncologist who provides evidence-based, compassionate care to patients with ovarian cancer, uterine cancer, cervical cancer, vulvar cancer, and other gynecologic cancers. He is an experienced surgeon with expertise in complex pelvic surgery including minimally invasive gynecologic surgery. He is certified in robotic-assisted surgery. He provides care for patients through all stages of cancer, including chemotherapy, survivorship, and supportive services.

He received a medical degree from the University of Pennsylvania Perelman School of Medicine in Philadelphia, Pennsylvania. He completed a residency at the University of Washington School of Medicine in Seattle, Washington and gained further subspecialty training through a fellowship in gynecologic oncology at the University of Washington School of Medicine.

Dr. Morse is a member of the Society of Gynecologic Oncology
