

Betsy W Blazek-O'Neill, **MD**

Integrative Medicine

Dr. Blazek-O'Neill integrates conventional medical treatment with evidence-based, complementary approaches that care for the whole person. She treats the mind, body, and spirit, using such

methods as massage therapy, acupuncture, tai chi and relaxation therapies.

She can help individuals adopt healthier lifestyle behaviors to improve health and wellness. She treats musculoskeletal disorders, behavioral health issues, digestive health conditions, pain conditions, and any

general medical conditions that can benefit from complementary and lifestyle approaches.

Dr. Blazek-O'Neill earned her degree at the Medical College of Wisconsin in Milwaukee. She completed her physical medicine and rehabilitation residency at the University of Wisconsin Hospitals and Clinics in Madison.
