

## Eirwen M Miller, MD

### Gynecologic Oncology

Certified by the American Board of Obstetrics and Gynecology, Dr. Miller specializes in diagnosing and treating cancers and tumors of the female reproductive organs, including the ovaries, fallopian tubes, uterus, cervix, vagina, and vulva. She oversees all aspects of care, including chemotherapy, survivorship, and supportive services.

Dr. Miller has expertise in complex benign gynecologic surgery, including advanced-stage endometriosis, fibroids, and cysts, and is certified in robotic surgery and laparoscopic surgery.

She earned a medical degree at Wayne State University School of Medicine in Detroit, Michigan. Dr. Miller completed her residency at the University of Pittsburgh Medical Center Magee-Womens Hospital and a fellowship in gynecologic oncology at the Montefiore Medical Center, Albert Einstein College of Medicine, in the Bronx, New York.

Licensed to practice medicine in New York and Pennsylvania, Dr. Miller is certified in laparoscopic
