

Patricia L Bononi, MD

Endocrinology

Dr. Bononi is a specialist in endocrinology and treats patients with diabetes, thyroid and metabolism issues, osteoporosis, and polycystic ovary syndrome. She received her medical degree from the University of Pittsburgh School of Medicine. She completed her residency in internal medicine and her fellowship in endocrinology at the University of Pittsburgh Medical Center, Presbyterian University Hospital, Pittsburgh, Pennsylvania.

Dr. Bononi is certified by the American Board of Internal Medicine for endocrinology and diabetes. She speaks English and has been recognized as one of Pittsburgh's Best Doctors, by Pittsburgh Magazine, since 2015.
