

Edward R Ellis, MD

Primary Care - Family Medicine

Dr. Ellis offers patient-centered primary care for preventive exams, ongoing conditions, illness, or injuries. He sees adults and children, starting at birth, at his private practice at Saint Vincent Hospital. He is skilled in osteopathic manipulation to relieve pain and restore health to muscles and joints. He has a special clinical interest in opioid use disorder. Same-day appointments are available.

Dr. Ellis received a medical degree from Lake Erie College of Osteopathic Medicine, in Erie, Pennsylvania. He completed a residency at the UPMC St. Margaret Family Health Center in Pittsburgh, Pennsylvania.

He is certified by the American Board of Family Medicine and the American Osteopathic Board of Family Physicians. He is a member of the American Osteopathic Association and the American Academy of Family Physicians.
