

Ramzi F Khalil, MD

Interventional Cardiology

Dr. Khalil provides cardiac care for patients with heart and valve disease, including myocardial infarction, heart failure, cardiomyopathy, and arrhythmia. He received his medical degree from the American University of Beirut in Lebanon, and completed an internal medicine residency at Cleveland Clinic Foundation, Cleveland, Ohio. His cardiology and interventional cardiology fellowships were at Allegheny General Hospital in Pittsburgh, Pennsylvania. He is also an adjunct assistant professor at Temple University in Philadelphia, Pennsylvania.

Dr. Khalil was recognized as one of the most influential doctors in the Pittsburgh Metropolitan Area by USA Today in 2005 and received the PA Rural Health Care Award in 2015. He speaks Arabic, French, and English.
