

**William P Coyle, MD,
FACP**

Primary Care - Internal Medicine

Dr. Coyle offers general care for all aspects of internal medicine, including preventive care, and treatment of chronic conditions. He performs joint aspirations and injections, skin biopsies, simple incision and drainage.

He received a medical degree from UAG School of Medicine and from the University of Maryland School of Medicine in Baltimore, Maryland. He completed a residency at AHN Allegheny General Hospital in Pittsburgh, Pennsylvania. He gained further training through a rotating internship at York Hospital, in York, Pennsylvania.

He is certified by the American Board of Internal Medicine. He is also a member of the Allegheny County Medical Society, the Pennsylvania Medical Society, the American Medical Association, and the American College of Physicians, and is a Fellow of the American College of Physicians. He is fluent in English.
