

Kimberly A Fleming, PhD

Psychology

Dr. Fleming cares for individuals and their families, as inpatients or outpatients, in coordination with their other doctors. She treats a broad array of behavioral health challenges, including adjustment disorders, depression, anxiety, substance abuse, and acute stress disorders.

She also provides general psychological evaluations, psychotherapeutic interventions, psychodiagnostic assessments, neurocognitive screens, capacity evaluations, and pre-surgical psychological evaluations.

Dr. Fleming earned her doctoral degree in clinical psychology at the University of Missouri in Columbia. She completed her pre-doctoral clinical internship and post-doctoral fellowship in advanced clinical and health psychology at the University of Kansas Medical Center in Kansas City.

She is a member of the Society for Psychophysiological Research, Research Society on Alcoholism, American Psychological Association, and Association for
