

Ashley R Walker, PA-C

Interventional Cardiology

Ashley Renee Walker is a certified physician assistant (PA-C) who specializes in valvular heart disease. She is committed to working with patients and their families to educate them about heart disease and to prepare them for surgery. Ashley sees patients age 18 and up and speaks English.

She earned a Bachelor of Science degree in biology from Penn State University and a master's degree in health sciences from Lock Haven University in Pennsylvania. She is certified by the National Commission on Certification of Physician Assistants. Ashley is a member of the American College of Cardiology.
