

David S Parda, MD

Radiation Oncology

David S. Parda, M.D., FACP is President and CEO, Allegheny General Hospital, Professor of Radiation Oncology, and System Chair, IRB of Allegheny Health Network (AHN). As past Chair of the Department of Oncology/Cancer Institute, Dr. Parda developed a network of 24 cancer centers including the Academic Cancer Center at AGH. As Chair of the IRB, Dr. Parda is overseeing more than 800 research studies while expanding and integrating clinical trials and technology throughout AHN.

Dr. Parda received his Bachelor of Arts degree with honors in molecular biology and psychology from Vanderbilt University and his medical degree from the University of South Florida College of Medicine. He completed a residency in internal medicine at the Cleveland Clinic Foundation and a residency in radiation oncology at Georgetown University and is board certified in both internal medicine and radiation oncology. Through additional training and experience at the National Cancer Institute (NCI)
