

## Meilin Young, MD

### Pulmonary Disease

Dr. Young is a pulmonary and critical care specialist who treats patients for COPD, coughs, and other breathing disorders. She is experienced in performing bronchoscopy, transbronchial biopsy, and EBUS screenings. She cares for patients as if they were her own family and works to continually improve the care she provides. She speaks English and Mandarin Chinese.

Dr. Young received a medical degree from Drexel University College of Medicine in Philadelphia, Pennsylvania. She completed a residency and fellowship in pulmonary and critical care medicine at Allegheny General Hospital in Pittsburgh, Pennsylvania. She is certified by the American Board of Internal Medicine for internal medicine and pulmonary and critical care.
