

Linda B Johnson, CRNP

Colon and Rectal Surgery

Linda is a certified registered nurse practitioner (CRNP) who specializes in colon and rectal surgery. Her clinical interests include the nonsurgical management of constipation, diarrhea, irritable bowel, and fecal incontinence.

She earned a Bachelor of Science in nursing and a Master of Science in nursing at Gannon University in Erie, Pennsylvania. Linda is certified by the American Nurses Credentialing Center, and she's also certified in advanced cardiovascular life support and basic life support.

Linda is committed to providing excellent care by listening to her patients, educating them about their conditions in the simplest way, and guiding them through good living habits. She sees patients 16 and older.
